Dear Dr. Evison:

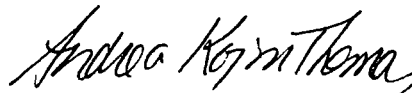

Corning Incorporated received the Unilateral Administrative Order recently issued by Region V of the Environmental Protection Agency.

Pursuant to paragraph 88, on behalf of Corning Incorporated, I request a conference to discuss the Order.

Ceil Price of Cooper Industries tells me that Monday, November 6, 1995 is a day convenient to all recipients of the UAO, as well as to Agency representatives. Please let me know where the meeting will take place.

Thank you for your cooperation in this matter.

Very truly yours,

Andrea Kojm Thomas  
Assistant Counsel
